ACBM MEETING, BERKELEY, DECEMBER 8-9

Following are some details of the ACBM meeting in Berkeley. The meeting on Friday will begin at 9:00 A.M. in Bldg.50, Radiation Lab (Hill Area). On Friday evening there will be a cocktail and dinner party at the Faculty Club immediately following the meeting. On Saturday, at 9:00 A.M., Dr. Lawrence and Dr. Tobias will discuss matters concerning the bio-med accelerator (Auditorium, Donner Lab), followed by remarks by Dr. Dunham and updating of Chariot by Dr. Wolfe. After this the Committee will review the nominations for the Lawrence Award and make its recommendations. The Saturday morning schedule is subject to change. After lunch at the Faculty Club on Saturday, the group will visit Dr. Stone's project at the Medical Center on the San Francisco Campus, including a visit to the Synchrotron there.

I have requested reservations for you at the Claremont Hotel in Berkeley for the 7th and 8th. I am sure you are familiar with transportation facilities from the S.F. Airport to Berkeley, but if you are not, you may either take an airport bus to the S.F. Airline Terminal, at a cost of \$1.20, and a cab from the Terminal to the hotel, fare, approximately \$7.00, or a cab from the S.F. Airport direct to the hotel, fare, approximately \$13.00, which may be split among riders. Transportation will be provided from the Claremont and Durant Hotels to the various meeting places. Transportation will also be provided on Saturday to the S.F. Campus, and it is suggested that you check out of the hotel on Saturday morning, taking your luggage with you to the Donner Lab.

I would appreciate your letting me know about your travel plans as soon as possible. I will send a copy of the agenda to you as soon as it is received from Dr. Lawrence.

- Dr. Lough
- Dr. Wolfe
- Dr. Burr
- Dr. Liverman
- Mr. Holland
- Dr. Harley, HASL
