Dr. Charles L. Dunham, Director
Division of Biology and Medicine
Atomic Energy Commission
Washington 25, D. C.

Dear Dr. Dunham:

We of Battelle-Northwest are pleased that you have considered us as host site for the next meeting of the Advisory Committee for the Division of Biology and Medicine and we hereby extend you our most cordial invitation. We have taken the liberty of reserving March 12 and 13 for this purpose.

Since there are probably a number of details connected with arrangements for the meeting I suggest that you and your people work directly with Harry Kornberg.

Sincerely,

S. L. Fawcett
