

June 28, 1968SECRETARIATAEC 604/109JCAE STAFF MEETING ON HUMAN RADIOBIOLOGY CENTERNote by the Secretary

1. The General Manager has requested that the attached memorandum of June 26, 1968 from the Director of Biology and Medicine be circulated for the information of the Commission.

2. At Information Meeting 803 on June 5, 1968, the Commission approved AEC 604/108 - Report on Proposal for a National Center of Human Radiobiology. At that meeting the Commission requested that the centralized program to be established at Argonne not be designated the "National Center of Human Radiobiology," and that the JCAE staff and Dr. Evans be informed prior to transmittal of the reports to the JCAE.
