June 12, 1968

TO : John R. Totter, Director, Division of Biology & Medicine
FROM : Anthony A. Tomei, Secretary
SUBJECT: G.A.C. SESSION WITH DIRECTOR OF BIOLOGY & MEDICINE DIVISION

This is to confirm my telephone call of today in which I related that Dr. Tape suggested to Dr. Hafstad yesterday that the GAC may want to hear about your views and problem areas prior to the joint GAC-ACBM session in the afternoon of July 8th, and that, accordingly, this office proposed that your session be held from 10:15 to 11:00 o'clock on July 8th (Mon).

Thank you for accepting the proposal. The schedule for the GAC meeting is being revised accordingly, and a copy will be routed to you upon completion, on June 14th.
