Dr. L. R. Hafstad, Vice President  
Research Laboratories  
General Motors Corporation  
Warren, Michigan 48090

Dear Dr. Hafstad:

This is to report that the Advisory Committee for Biology & Medicine has accepted the GAC invitation to meet with the GAC at the Argonne meeting in July. The ACBM has selected the afternoon of the first day (Monday, July 8) for the joint session.

When the GAC decides at the May meeting what the agenda and time period for this particular session might be, I will again communicate with the Executive Secretary to the ACBM.

Sincerely yours,
