Dear Paul:

I have received an approval from the Director's Office (see attached) which authorizes the thermography pilot study described in your letter of September 30. Therefore we can proceed with the necessary arrangements with R. A. Jeffries, J-10, on the equipment and Bob Grier, H-2, on volunteers.

I will look forward to working with you on this program.

Sincerely,

George L. Voelz, M.D.
