FROM: Stephany Wilson, Administrator, CRTC/Los Alamos *SW amy*

SUBJECT: Change in CRTC Director and Pion Program Principal Investigator

Leonard M. Napolitano, Ph.D., Director of the UNM Medical Center and Dean of the UNM School of Medicine, has appointed Robert E. Anderson, M.D., Chairman of the Department of Pathology, and Robert D. Moseley, M.D., Chairman of the Department of Radiology, as Interim Co-Directors of the UNM Cancer Research and Treatment Center, while a search ensues for a new director.

He has also appointed Steven Bush, M.D., as Acting Principal Investigator for the pion radiotherapy program, while a search ensues for a new Chief of Radiation Oncology who would also be principal investigator for the pion program.

He has asked that I let you know about these changes.
