Re: Donner Pavilion

Dear Nat:

Mrs. Wohletz called me this morning and told me that they are moving all the Cowell patients from the third floor to the second floor on Monday, September 6, in order to repaint and clean all rooms on that floor. This will continue for the next ten days and means that there will be no nursing service on the third floor. Since our Donner Pavilion intercommunication system does not go to the second floor they have asked if we would mind if they transferred the Donner Pavilion patients to Cowell rooms on the second floor. The only alternative would be for us to make arrangements for staffing the Donner Pavilion with nurses around the clock for this ten day period. The full expense of this would have to be borne by us. If there is no objection to transferring our patients to the second floor for this period we shall do so. Kindly let me know your wish.

Sincerely,

James L. Born, M. D.
