DR. J. H. LAWRENCE

This morning Dr. Born and I had a visit from Mr. Frank Wick. Mr. Wick is from Mr. Lundberg's office and is specifically attached to the Architects Office, and has been requested by Mr. Roscoe Weaver to have a letter sent to Mr. Weaver which would give authorization to lien funds available for constructing the new Metabolic Unit.

At this time I would like to point out that although your letter to President Sproul of November 19, 1952 listed the funds in detail and still remains essentially correct, there have been changes in three of the funds listed. These three funds have been declared not available for use in construction by the Controller's office, and are: Kennan, Markle and your Library Fund. Therefore the total amount shown available in this letter of November 19 was \$155,153.25. The amount now available after the above deletions have been made is as follows:

<u>Account Number</u>	<u>Amount</u>
Donner Foundation	— \$50,000.00 ✓
Atomic Energy Commission	— 17,850.00 ✓
Metabolic Unit - 00670-10-00670	— 42,800.41 ✓ 42,820.2
Kiersted, 69380-13-37830	— 900.00 ✓
Anonymous Donor, 69652-13-31390	— 29,200.00 ✓
A.P.O.S. Donation, 69652-10-30260	— 326.00 ✓
J.H.L. Special, 69652-13-45380	— 4,400.00 ✓
J.H.L. Medical, 69652-13-45400	— 6,900.00 ✓ 2100
Cancer Research, Various Donors, 67058-13-43790	— 380.00 ✓
Interest available from investments	— 790.61 ✓ 801.31 (21.3)
	\$153,153.02

Therefore, under the circumstances, Dr. Born and I would be most happy to prepare a rough draft letter to Mr. Weaver for your signature in accordance with Mr. Weaver's request through Mr. Wick. Please advise.
