DR. JOHN H. LAWRENCE

Dear Dr. Lawrence:

Attached herewith, as per your request, is a rough draft letter to Mr. Roscoe Weaver. Actually, in the transmittal of the final letter I would not show any names under the fund unless there was no account number. Our policy has been to show only the account numbers. I have set this rough draft up this way for you to check it. However, the final form would only show account numbers.

I have tried to keep this letter very short. If you will make any corrections and/or additions and return same to me, I will prepare the final for your signature.

Sincerely,

R.A.S.
