VICE-PRESIDENT CORLEY:

The following actions by The Regents at their February 29 meeting have been forwarded to me by Secretary Underhill in a special memorandum:

- "(a) That the Regents accept a gift of \$50,000 from the Donner Foundation, Incorporated, and agree to begin construction before December 31, 1952, of an addition to the Cowell Memorial Hospital on the Berkeley campus, and
- "(b) That the Vice President - Business Affairs be authorized to have working drawings prepared and bids taken on both a one-story and a two-story unit for such addition."

If you have not already done so, will you initiate, without delay, steps to accomplish the above programs as indicated? Also, I enclose herewith, Dr. John H. Lawrence's letter to me of February 18, 1952, along with sketches which, as Dr. Lawrence indicates, "may serve as a rough guide for the architects."
