Mr. Robert A. Maes
Executive Vice-President
Donner Foundation Incorporated
1124 Land Title Building
Philadelphia 10, Pa.

Dear Mr. Maes:

It is a pleasure to notify you that The Regents of the University of California took action at their last meeting authorizing acceptance of the generous offer of \$50,000 by the Donner Foundation, Incorporated, as contained in your letter to Dr. John H. Lawrence of February 4; and have agreed to begin construction before December 31, 1952, of an addition to the Cowell Memorial Hospital on the Berkeley campus. With the receipt of your gift, it is anticipated that funds necessary to complete this addition will be available, and steps are therefore being taken to prepare the working drawings necessary to call for bids.

Also, it was welcome news for me to learn of your contemplated visit to Berkeley, and it is my sincere hope that the uncertainties of a state-wide University President's calendar will not deny me the pleasure of meeting with you at that time. To guarantee against such a contingency, as Dr. Pettitt suggested in his letter of February 13, I should appreciate word from you in advance of your visit, if this is possible.

Yours sincerely,

Robert G. Sproul
