Dear Dr. Harrell:

Thank you for sending us the photo of your exhibit at the Southern Medical Association meeting in Atlanta. I hope this attracted a great deal of attention and comment and that it aroused interest in the work you have under way.

I am sorry that I missed the meeting, but we did have a representative there in the person of Mr. Harold J. McAluff, Health Physicist and Industrial Hygienist in this Office, who spoke before the Industrial Medical Section. Mac made a thoroughly rushed trip of it, though, for he arrived in Atlanta about noon and came back on the afternoon plane.

With our best wishes.

Sincerely yours,

C. S. Shoup
