

December 11, 1973

Martin B. Biles, Director
Division of Operational Safety

INVESTIGATION OF ORAU IODINE-131 MISADMINISTRATION OCCURRING
SEPTEMBER 4, 1973 - COMMENTS ON

Dr. Liverman asked that we provide you with comments on the recommendation of R. J. Hart to you in his memorandum of November 8, 1973, regarding the above subject. I asked Dr. Weyzen to review the memorandum and the attached report of the investigating committee. Enclosed are our comments.
