Subject: Request for Information on Experimental Data on Postum.

To: The Area Engineer, Rochester Area, Rochester, N.Y.

1. It is planned in the very near future to review the tolerance levels for Postum.

2. It is requested by this office that an interim report on the experimental work being carried out by Dr. Bale's group be forwarded so as to keep the Medical Section's information on the subject current.

3. It is also requested that Dr. Bale's opinion and appraisal of the subject of tolerance be included with the report.

For the District Engineer:
