Division of Biology and Medicine  
U. S. Atomic Energy Commission  
Washington, D. C. 20545

Dear Dr. Totter:

Attached is the Report of the Subcommittee of the ACBM which conducted a site visit at the Laboratory of Nuclear Medicine and Radiation Biology, UCLA (under Contract AT(04-1)-Gen-12) on January 22-23, 1968.

The Subcommittee has dealt with the matters outlined in the Review Plan for the Subcommittee, plus additional matters if considered to be relevant and important. Six recommendations are offered for your consideration.

The Subcommittee will be glad to respond to any questions you may have about this Report and the recommendations offered.

Sincerely yours,

/s/ Philip P. Cohen
