BIOLOGY & MEDICINE

TO: Dr. Henry A. Blair
FROM: Dr. W. F. Neuman

This is in response to the letter of Claude A. DeLorenzo, Major, USAF, at the Kirtland AFB. We are happy to cooperate to the extent that we can, and I have asked Dr. Robert Thomas and Mr. Robert Wilson to attend the meeting in Kirtland on January 15th and 16th.

These two men participated in the Idaho Falls Release Tests last summer and may be helpful in discussing future plans. It is understood, however, that in participating in the discussion we are not committing ourselves to participation in future tests.
