OSTI

In accordance with our previous discussions, I hereby submit the new organization table of H. E. Project:

Technical Steering Committee:

- L. W. Alvarez
- K. T. Beinbridge
- G. B. Kistiakowsky (Chairman)
- S. H. Neddermeyer
- W. S. Parsons

The functions of this Committee are to plan the over-all technical program of the H. E. Project. Meetings will be held weekly on Monday at 1:15 - 3:00 p. m., but may be called on special occasions at the request of a member. The progress of the work of the various parts of the Project will be reviewed by the persons responsible for it, who, if not members of the Committee, will be requested to attend for this purpose, and plans for future work will be mapped out. The decisions of this Committee are binding on the leaders of the operating branches.
