INTER-OFFICE MEMORANDUM

A-84-019  
51-3

DATE March 9, 1975

TO: David Lipkin

FROM: J. R. Oppenheimer

SUBJECT: Hazard created by persons entering areas around firing sites on Sundays

~~CONFIDENTIAL~~

R/R 1/7/88

PUBLICLY RELEASABLE

R/R 1/7/88

Of the two alternatives mentioned in your memorandum of March 7, only the second seems possible to me, since we can not at this time forbid the firing of charges for casual convenience. I would urge, however, that the areas which must be designated as dangerous be defined as sharply as possible in order not to reduce unduly the freedom of the people here who may wish to spend a Sunday in the country.
