MEMORANDUM FOR COLONEL A. W. BETTS,  
P. O. Box 1539,  
Santa Fe, New Mexico.

SUBJECT: Manhattan Project Interests at Wendover Field, Utah.

1. Reference is made to the inclosed letter from Headquarters Army Air Forces dated 7 June 1946, which indicates that the Manhattan Project still retains an interest in the projects being carried on at Wendover Field, Utah.

2. This office did not request the priority arrangements setup in the inclosed letter and it is believed that the reference therein to the Manhattan Project is in error.

3. It is requested that you advise this office as to whether or not the Manhattan Project has any personnel, equipment or other interests at Wendover Field.

For the Commanding General:

H. G. GEE,  
Colonel, Corps of Engineers  
Chief, Military Operations Div.  
Manhattan Project.
