# Danger Notice No. 9 (Frenchman Flat)

- On Thursday, 30 April 1953, and Friday, 1 May 1953, Air Force planes will drop inert practice bombs on the north end of Frenchman Lake. Four bombs will be dropped on each morning.
- | TIME                   | LOCATION OF TARGET                |
|------------------------|-----------------------------------|
| <u>ACUTIC DAYLIGHT</u> | <u>AMS V-796 NPG Security Map</u> |
| 0715 to 0830           | 950-766 8-51                      |
- The target will be marked by strips of red bunting. During the bombing periods, all persons are warned to keep clear of the target location by at least 4000' to the south, 1 mile to the west, and 2 miles to the north and east.
- Warning patrols will be established by Security at points south and west of the target during the danger period.
- Several planes other than the bombing plane will be performing air maneuvers in the area during the bombing times.
- For further information, contact Lt. Col. Paul Fackler, phone 8255.
