Dear Mr. Creamer:

Contract No. 791-057

- Reference:
1. SRD Letter, Creamer/Scott, dated October 22, 1965, same subject
  2. SRD Letter, Scott/Creamer, dated November 1, 1965, same subject
  3. SRD Letter, Creamer/Scott, dated November 5, 1965, same subject

We have reviewed your letter dated November 5, 1965, on the subject contract.

Concurrent with this letter, we have received SRD TWX No. 2016C, dated November 3, 1965, from Mr. W. Lee Hancock, ALO, which reverts the IP Schedule back to full lead time on the 57 Program.

Based on the above change, our total authorized quantity is now 458 units. We recommend that the proposed Contract No. 791-057 be approved for procurement as submitted. The overage will become a part of the next authorized quantity for procurement. There will be no adverse effect in supporting scheduled requirements.

Very truly yours,

David L. Scott  
Vice President,  
Plant Manager
