Santa Rosa, California 95402

Attention: Mr. J. W. Carrothers

Dear Mr. Carrothers:

43-001

This will confirm our telephone conversation today about the cremains of _____ who died in Santa Rosa on January 9, 1966 and who was cremated on January 11, 1966.

Enclosed is the original copy of permission for exhumation which has been signed by _____ (daughter) who lives on _____ in Santa Rosa. Also enclosed is a copy of _____ death certificate.

_____ has very kindly agreed to allow the Center for Human Radiobiology at the Argonne National Laboratory outside of Chicago to carry out a series of studies on the cremains of her father. At the conclusion of these studies _____ cremains will be returned to you.

The cremains should be shipped to Mr. Joseph E. Farnham, Center for Human Radiobiology, Argonne National Laboratory, 9700 South Cass Avenue, Argonne, Illinois 60439. The Center will assume the responsibility for all charges relating to the shipment of the cremains. Bills should be sent to the attention of Dr. Andrew F. Stehney at the Center for Human Radiobiology, Argonne National Laboratory, 9700 South Cass Avenue, Argonne, Illinois 60439.

We will appreciate very much anything you can do to expedite the shipment of the cremains to Mr. Farnham. If you have any other questions or would like to know more about our research work, please do not hesitate to call me collect at 602-949-5600.

Sincerely yours,

Mary Margaret Shanahan
Deputy Director
M.I.T. Radioactivity Center
