Reference is made to your question, this date, regarding informing relatives of plutonium cases to be exhumed of the actual plutonium injections.

Re: (40-010)

In reviewing my records, I found that, shortly after having received instructions to inform survivors, I told Mr. (May 10, 1975) that his sister had had plutonium injections.

Re: (40-015)

While this does not appear in my records, I do recall that I have informed all Mr. relatives, including Mrs. , Mrs. Mr. and Mrs. of the fact that plutonium injections had been given to ..

Re: (40-003)

I also informed Mrs. and, during my last visit, the two brothers, and that Mrs. had received plutonium injections.

I did not go back to those relatives of cases that had refused exhumation permissions prior to 1975, namely (40-007), (40-008), and (40-011). ✓

In all future contacts with relatives of plutonium cases proposed for exhumation, I will make it a special point to inform them of their deceased relative's exposure and report this disclosure to file.
