Dear Sirs:

I am requesting a report on our daughter Karen Silkwood. You have a biopsy report on her lung that we are requesting, we were to get this report several weeks ago we were told but we haven't received it. We have got our doctor to request her Medical Reports 7 times at Kerr-McGee and we haven't received it either. I have 2 first Cousins that work there and I know she was there the week end before she was killed or murdered really. Let us hear from you. Ask Phyllis or Jim Sanders they both know she was there for reports, but we still can't seem to get these reports. Our phone no. is 722-753. Or I her mother works at Nederland State Bank 727-3161 and you can call or write B. M. Silkwood 317-21st Street Nederland, Texas 77627

Sincerely,
Mrs. B. M. Silkwood
