Subject: SSRL Prop. #456 "Iodine Dichromography with
Monochromatic X-ray Beams for Angiography"

Dear Jim,

As a follow-up to my letter of March 12, 1986 to Dr. Arthur Bienenstock, SSRL Director, I recieved the following on the subject:

- 1- Letter from Dr. Bienenstock to me... 3/31/86
- 2- SLAC Radiation Committee approval memo...2/25/86
- 3- Framework of Angiography Safety Plan...2/7/86
- 4- Human Subject Committee approval memo...1/7/86

All of the four above items are enclosed for your review and comments. Since the first human exposure is scheduled to take place early next month, I request your comments as soon as possible.

Sincerely,

William C. Gough, Director
