June 28, 1974

Honorable Glenn M. Anderson
House of Representatives

Dear Mr. Anderson:

Dr. Ray has received your letter of June 25, regarding an inquiry expressing concern about the safety of the use of barium in medicine.

She has asked the General Manager to review the points raised in your letter. When that has been done we will communicate with you again on this matter.

Sincerely,

Paul C. Bender
Secretary of the Commission
