Gentlemen:

Enclosed is a proposal from Associate Professor C. Alvin Paulsen, Department of Medicine, School of Medicine, requesting a three-month extension of AEC Contract No. AT (45-1)-1781, entitled "The Study of Irradiation Effects on the Human Testis: Including Histologic, Chromosomal and Hormonal Aspects."

Budgetary provisions have been reviewed and approved by Mr. Wallace C. Treibel, Director, Office of Grant and Contract Services. The sum of \$20,320 is requested for the period from November 1, 1969, through January 31, 1970.

It is a pleasure to approve this proposal for the University of Washington and to transmit it to you for your consideration.

Sincerely yours,

George W. Farwell
Vice President for Research
