Re: Contract AT(45-1)-1781

Dear Dr. Harvey:

As I mentioned to you on the phone, I believe it would be quite important to our projects if we could send Dr. O'Keefe to the Workshop Conference on Statistics in Endocrinology, December 4-8, 1967 in Dedham, Massachusetts. Her expenses there can be handled, but we would like to request a supplement to our travel budget to the extent of \$304.50, which is round-trip tourist jet between Seattle and Boston. Please let me know if you require further details.

Sincerely yours,

C. Alvin Paulsen, M.D.
Principal Investigator
