Dear Mr. Edington:

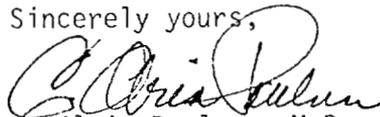

I received your letter of November 27th today.

I have considered your request very carefully and since I will be leaving tomorrow for China for the World Health Organization, I really don't think I can respond adequately to your request until after I return.

You can rest assured that I will be sending material to you at that time.

Best regards.

Sincerely yours,

C. Alvin Paulsen, M.D.
Professor of Medicine
