PRIVACY ACT MATERIAL REMOVED

Some weeks back we were informed through a personal conversation that _____, Professor of Chemistry, State University of Iowa, Iowa City, Iowa, was ill with an undefined disability.

We have learned through recent personal contacts at the State University of Iowa that _____ died on December 26, 1949, from the effects of cancer of the stomach. He was under medical treatment for this condition for most of the past three years.

It is our understanding that _____ was associated for a brief time with the Tennessee Eastman Corporation (Y-12) at Oak Ridge, Tennessee.

We know of no indication that _____ death was related to his previous employment at Oak Ridge.
