Dr. John Bruton Stanbury
43 Circuit Road
Chestnut Hill 67, Massachusetts

Dear Dr. Stanbury:

Attached is a copy of a letter which was sent to our Compliance medical consultants transmitting two reports: (1) Report of the Technical Review Committee dated November 6, 1964, and (2) your report dated September 30, 1964. Also attached is a list of the medical consultants to whom the above were sent. We thought you would like to know the distribution of your report. *

A copy of the report by the AEC Technical Review Committee is enclosed for your information and retention.

Your assistance and help in the events following the accident at Wood River Junction facility have been very much appreciated.

Sincerely yours,

Leo Dubinski
Assistant Director for
Materials
Division of Compliance

UNITED STATES
ATOMIC ENERGY COMMISSION
WASHINGTON 25, D.C.

December 8, 1964

As indicated in my letter to you of August 24, 1964, we are sending additional information on the criticality accident which occurred on July 24, 1964, at the plant of United Nuclear Corporation, Wood River Junction, Rhode Island.

The report of the Technical Review Committee (Dr. Herbert Kouts, Chairman) may be retained. It has been placed in the Public Document Room. The report from Dr. Stanbury is considered Official Use Only and should be returned to us when convenient.

A similar letter with attachments is being sent to all Division of Compliance medical consultants.

Sincerely yours,

Leo Dubinski
Assistant Director for Materials
Division of Compliance
