Re: Contract DE-AC02-76EV03428  
(Formerly EY76-S-02-3428)

Dear Mr. Katisch:

In accordance with your request, enclosed are copies of our  
April 9, 1981 and February 18, 1981 letters to Ms. Jane L.  
Monhart.

Attachment A referenced in our February 18, 1981 letter is  
the University's response to the inventory requested by DOE's  
September 24, 1980 telegram. (Attachment A was submitted to  
DOE on November 24, 1980 and again on December 19, 1980).

This letter is also to reconfirm that the University was un-  
aware of any understanding that DOE had dropped their request  
for the inventory and that the University had dropped their  
request for the data.

The University of Pittsburgh makes a further request for the  
data in Attachment B.

Very truly yours,

Ruthann Adams
