Dear Dr. Felling:

NITRENDIPINE STUDY FOR MILES PHARMACEUTICAL (DOE NO. ERD 85-467)

Enclosed is a signed original and one copy of the subject agreement which ORAU has entered into with Miles Pharmaceuticals to conduct a study on the effectiveness of Nitrendipine in lowering blood pressure in humans with high blood pressure. Please make note on future agreements, subagreements, etc., regarding this agreement to reference DOE No. ERD 85-467. This is for DOE control purposes only.

DOE concurs that this work is of programmatic interest to us and that ORAU should bill Miles for the actual costs incurred (less depreciation and DOE added factor). Also, as stated in your letter of February 27, 1985, DOE would appreciate your sending us the purchase order between ORAU and UT Memorial Research Center and Hospital for our approval.

Sincerely,

William R. Bibb
