Dear Dr. Yarberry:

Thank you very much for your letter of July 31st, 1948,
concerning the case of [REDACTED]

Unfortunately, at the present time we are not equipped to
handle the care of this patient. It probably will be
November or December before our facilities are available
for isotopic therapy.

Dr. R. B. Wood and some of his colleagues in Knoxville have
recently organized a group and I believe it is their intention
to undertake some of this work in the near future. Perhaps
you may wish to contact Dr. Wood concerning [REDACTED]

Thank you very much for affording us this opportunity. I
regret that we are unable to accept it at the present time.

Sincerely yours,

Albert H. Holland, Jr., M.D.
