Dr. J. E. Wirth,  
U. S. Marine Hospital,  
Baltimore 11, Maryland.

Dear Doctor Wirth:

The annual meeting of one of the radiological groups is being held in Chicago the first week in December. Because of this fact it has been deemed advisable by the Medical Division to have the second meeting of the Medical Advisory Committee during the week of this meeting. Consultation with Dr. Warren and Colonel Cooney has indicated that Friday morning, 6 December would be the best time for this meeting to be held.

Inasmuch as you are a member of this committee, this will serve as notification to you of this coming meeting. If possible, will you notify Major B. M. Brundage of your intention to be present.

For the District Engineer:

*W*  
Very truly yours,

*W*  
RICHARD L. BRUNDAGE,
