Dear Ms. Kannard:

AUTHORIZATION FOR OAK RIDGE ASSOCIATED UNIVERSITY (ORAU) LUNG SOLUBILITY TESTING AT WELDON SPRING SITE REMEDIAL ACTION PROJECT (WSSRAP)

The Weldon Spring Site Remedial Action Project (WSSRAP) has requested that ORAU perform lung solubility testing at their site. Please consider this letter a formal request for this testing and authorization of available funding (not to exceed \$80,000) for ORAU to perform the requested work. The cost of the testing should be transferred to the DOE Field Office - Oak Ridge general ledger (work request number ECB912).

If you require more information regarding availability of funds, please contact Emily Brown at (615)576-0657. Thank you for your assistance in this matter.

Sincerely,
