Edwin B. Boldrey, M.D.
Professor of Neurological Surgery

Dear Doctor Boldrey:

At its meeting of November 18, 1965, the Executive Committee agreed to destroy all records of patients not seen in the previous 40 years unless: the records were requested to be kept for historical purposes or the records are part of the 5-10% randomly selected records retained for historical purposes.

Under the circumstances, your request will be so honored. Accordingly, I have forwarded a copy of your letter to the Medical Records Committee.

Yours sincerely,

Hilliard J. Katz, M.D.
Chief-of-Staff
