REC'D DEAN'S OFFICE
SCHOOL OF MEDICINE

Dear Frances:

The other day you mentioned something about reviewing the laboratories, institutes, etc., on this campus. I find that I wrote a letter to Dr. Saunders addressing him as both Dean and Provost on January 22, 1960, in which letter I raised the question of the status of the Radiological Laboratory. That letter and the enclosed documents might be of help to you in reviewing the position of the Radiological Laboratory. If you would like a copy, please let me know.

Yours sincerely,

Robert S. Stone, M.D.
