11 October 1949

Robert S. Sproul, President
 University of California
 Berkeley, Calif.

My dear President Sproul:

This will acknowledge receipt of your letter of October 5, 1949 which forwarded a proposal for extension of Contract N7omr-295, T.O. IV, for research on "Distribution of Gases, Water and Electrolytes in the Human Body" by Professor Nello Pace.

The continued interest of the University of California in the Navy's research program is greatly appreciated.

Sincerely yours,

 R. G. MYERS
 Captain, USN
 Commanding Officer
