Mr. A. E. CHAFFIN

I have your letter of March 28 regarding GEN-12 employees receiving additional remuneration from the University.

We have the complete story on the three men mentioned in your letter, and perhaps this answers my question. However, in order to make sure there is no misunderstanding, the question really involved regular salary roll faculty who might be gaining additional compensation by consulting or working directly for GEN-12 on the side. This, in other words, could be the reverse of the material you supplied me, but perhaps your answer covered this feature.
