SAN FRANCISCO: UNIVERSITY OF CALIFORNIA MEDICAL CENTER
OFFICE OF THE BUSINESS MANAGER

November 7, 1956

President Robert G. Sproul
University of California
Berkeley

*Althausen
Harper*

Dear President Sproul:

Contract

Attached are our worksheets covering an application for a grant-in-aid with the Office of Naval Research submitted by Dr. T. L. Althausen, Professor of Medicine, Department of Medicine and Dr. Harold A. Harper, Associate Professor of Physiological Chemistry, Department of Surgery, entitled "Joint Operation of a Clinical Investigation Center by the Department of Medicine and the Staff of the United States Naval Hospital, Oakland. The application requests the total sum of \$683,660.00 for the years 1957 through 1962, however our budget sheet represents the period from July 1, 1957 through June 30, 1958 in the amount of \$110,730.00.

Adequate space and facilities are available at the U. S. Naval Hospital in Oakland. Matching contributions for retirement and appropriate amounts for overhead have been included.

The application has been reviewed and processed in all offices concerned on this campus and is recommended for approval.

Very truly yours,

Stanley C. Bateman
