Mr. Richard D. Wolfe  
Asst. to the Vice President  
of Administration  
491 University Hall  
Berkeley, California 94720

Dear Dick:

The attached agreement has been reviewed with Dan Helliokoff and Vice Chancellor Saxton and we are in accord that it is acceptable in its present form and that the arrangements may now be completed by Vice President Bolton.

I would like to call your attention to one point in Mr. Fry's letter to Vice President Bolton under date of November 18. This is not quite as we originally suggested -- that request for extramural support grants should be directed through the San Francisco Office. Mr. Longwill has contacted SFO and they have indicated, if time is a factor, proposals may be submitted simultaneously to SFO and Dr. Totter.

Sincerely yours,

  
O. E. Lunt, Director
