 Division of Biology and Medicine
 U. S. Atomic Energy Commission
 Washington, D.C.

Dear Martin:

Enclosed for your information is a record of our annual revision of Statement of Compliance and Implementing Guidelines to NIH indicating the principles, pertinent excerpts from Bylaws of the Medical Staff, membership of the Clinical Investigation Radioisotope Committee, procedures to get informed consent and forms for participation in a clinical research program. If you wish other information or specific examples of informed consent for our various approved clinical research programs, kindly let me know.

As mentioned in our telephone conversation, we would welcome you or any of the legal members of AEC to come and visit with the CIRC in session and observe our records and procedures.

With best regards,

Sincerely yours,

E. P. Cronkite, M.D.
 Chairman
