MEMORANDUM

DATE: April 16th, 1975

REPOSITORY Records Holding Area Bldg. 494

TO: E.P. Cronkite, M.D.

COLLECTION Cronkite's Files

FROM: A.D. Chanana, M.D. *AD*

BOX No. 1

SUBJECT: Medical Department Guidelines
11/14/74

FOLDER Hospital Committees -
Medical Records Committee

I am in agreement with the recommendations of the Medical Record Committee of April 15th. I would like to request that the Guidelines be modified by deleting the past phrase "in the patient's research chart" from paragraph 7.c. as soon as possible.

Please notify Dr. Knudsen, Chairman, Medical Record Committee, of your decision as soon as possible.

I believe you write up the attached. The trouble seems to be the phrase "patients research chart" file delete it and state something for "Read Volunteers"
