Subject: LICENSE AGREEMENT - CONTRACT NO. AT-(40-1)-3086

Gentlemen:

Reference is made to your letter dated March 8, 1963, to F. C. Peitzsch, Community Specialist, with which you returned a revised draft of a proposed License Agreement.

There are returned herewith three copies of the subject License Agreement for signature by the appropriate official of the Hospital. Two changes have been made in the Agreement: (1) The term has been extended to December 31, 1963, and (2) in paragraph 8 there has been inserted a provision, "subject to the availability of appropriated funds therefor." These changes were discussed in a telephone conversation with Frank McVeigh and members of our Legal staff.

If the License Agreement as now written meets with your approval, please return two signed copies for counter signature by this office, one executed copy of which will be returned to you for your files.
