SYMBOL: MAT:PFB

Your memorandum of March 31, 1960 requested copies of correspondence carrying out the Commission's decision on SAC use of EPG.

DMA has received a copy of a secret letter dated March 30, 1960 to Mr. Gates, Secretary of Defense, signed by Mr. McCone which advises the DoD of the Commission's action on this matter. That letter was prepared by the General Manager. I suggest that you contact his office for whatever record copies you may require.
