Dear Mr. Hills:

BEST COPY AVAILABLE

Please block 10 seats on the Capitol flight from Kwajalein to Honolulu on Wednesday, May 30, and two seats Honolulu - Kwaj on Monday, June 4.

Also, reserve 8 seats on a flight Honolulu - New York to arrive in N.Y. in the morning of June, 1.

All of these seats may not be used and I shall give you a firm number as soon as possible. We have presently 5 patients to go to N.Y. for pre-operative workup, and later to Cleveland for Surgery. Two patients are still under consideration, and they will be accompanied by one interpreter. I have not yet talked with them all and have them sign a consent for the operation, but I assume that they will all agree to come. You may write their round trip tickets with the reservations from N.Y. to Cleveland, and Cleveland Honolulu open. The travel office at BNL will take care of those legs of the trip.

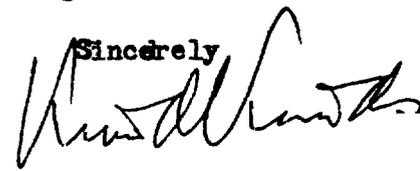

Please, let me know what preparations I have to make for them. (Passports, visa, vaccinations ?).

I have promised dr. Conard to equip them for the trip. I know from past experience that they may go on a spree if given a free rein. Please, let me know the ceiling. 'Macy's', here will probably have what they need of underwear, but in terms of dresses and coats the selection is poor, rather on the expensive side, and not fit for Long Island and Cleveland. At present, the only suitcases available are of large size and of the most expensive quality. Even at that, it may be a bargain. May I suggest that you arrange with a saleslady in one of the Honolulu department stores that we take them there thursday morning May 31, and complete their outfits? I hope Bill Morrison will be available to help us.

Please, also arrange for their accomodations in Honolulu, they will at most be 6 women and two men. Please, also arrange for a double room for my wife and myself till Monday morning. Bill Streenan, on his last visit, suggested a place which he used; I am sorry I have forgotten the name.
