Dear Dr. Hughes:

Dr. Stevenson has asked me to tell you that because of certain regulations over which we have no control, it will not be possible to make the necessary arrangements for you to attend the meeting in Cambridge scheduled for January 25th and 26th. We will therefore have to rely upon Dr. Calvin for a report on the work which you are now doing.

We are extremely sorry that it will not be possible for you to attend the meeting in Cambridge and hope that you will understand that the only reason why you cannot attend the meeting is that sufficient time is not available to comply with all the "red tape" involved.

We hope that this will not upset any plans which you may have made or cause you any inconvenience.

Sincerely yours,

D. Churchill, Jr.
Technical Aide
Division 11
