Latrines near Stations 20, 50 and 60
Letter J-19728 dated August 31, 1953
Sept. 3, 1953

Mr. R. H. Campbell requested that suitable latrines be provided in the vicinity of Stations 20, 50 and 60.

The location and approval for construction of these latrines should be checked with the J-6 Division representative in the field.
